Travel info: Maitri Studio is close to Translink Metro bus lines 4, 5 & 6, with stops close by. The studio is located on the first floor at 4 The Mount. The building is red brick with blue railings and has “Bank House” written in white letters at the front. The entrance is to the right side of the building.

Parking: The Mount is an A shaped road at the junction of Castlereagh Street, Albertbridge Road and Mountpottinger Road. Maitri Studio is on a short, one-way part of the Mount that you can drive onto from the Albertbridge Road. You can also come into the Mount from Castlereagh Street. It is a mixed residential and business area, with free parking available on the street. There are also free parking bays outside the shops on Castlereagh Street.

Please be aware that the venue is not “The Mount” Conference Centre (a cream coloured building to the right of Maitri Studios).

Lunch: It is easier if you can bring your own – there is a kitchenette available. Food can be purchased at the Mount Conference Centre a short walk away but they can be slow.
